**Testimonial:**

*"We had tried for a total of 5 months to sell our house without success before consulting Sandy to market our home. Sandy proved to be both professional and motivated to obtain the best outcome for us. We were impressed by the number of prospective purchasers she brought through and the fact that she consistently kept us up to date with developments. Sandy has many contacts in the local area, this was definitely a reason our house sold within the first week of going on the market.*

*We would not hesitate to recommend Sandy to anyone looking at either buying or selling real estate in the area"*
